

Tennis Serves Others is a growing organization that will start forming “expansion” chapters. TSO unites tennis ladies together to form a unique team bridging ladies from all tennis levels and from different clubs within a community. With each new chapter, we have the ability to serve more individuals, families and other non-profits in need. It’s an opportunity to build new friendships uniting on our two passions of tennis and serving others.

If you are interested in learning more about how to start a chapter, please fill out the information below and email this form back to tennisservesothers@gmail.com.
