

Request for Funds Form To Support Youth Tennis at Schools and Parks

Instructions

To request a small grant for specific goods, please fill out the form below with all pertinent information. Once received it will go through a review process for approval and then, if approved, it may take time as Tennis Serves Others works to obtain funds to fulfill needs. Please note, as a 501c3 organization, our duties are only to serve those in need. You must have and prove that there is a financial need to support your request. After funds are received, you will need to submit an accountability form indicating how those items were used. If money is received, in lieu of goods, please submit a receipt of items purchased.
