SERVE-A-FAMILY

As the holidays are approaching we are reminded of our yearly project helping "Families Serving Families" and our wonderful TSO members who know how to serve! You will be receiving an update in the coming weeks. Let's foster generosity together.

Love All,
Maria Girard

Mission Statement

Our mission is to unite tennis ladies to promote and organize charitable activities benefitting needy individuals, groups or organizations in our community and throughout the world.

Our Motto

LOVE ALL

We open all Board and General Membership meetings with "Love All" as a way to center us and unite us in our common passions of tennis and in serving others in our world.

Love All TSO Team!

The fall is upon us and, with the new season, we also have new beginnings! We are on the cusp of multiple leagues starting and, with any new season, change comes with it – new partnerships emerge, maybe you are on a different team, a line or even at a new club. With any change there's excitement, challenges and opportunities. Change and competition push us to rise to the new occasion, to do our best for ourselves, our partner and our team.

For me, I know I can struggle with change. When unexpected changes occur, maybe with tennis or health or family or friends, it can be stressful, heartbreaking or even intimidating. However, change also pushes us (me!) to do our best. We must accept change as a part of life; a transformation, a time to embrace the new, grow and evolve. I'm certainly trying to accept change and deal with the uncertainty that it brings. Maybe you are going through some changes too? How are we meeting those challenges? I believe there's a higher power that guides us and we must rise to our new challenges (on and off the court), accept the changes that they bring, learn from them, and move forward to address them with positivity and love. Change is tough, but change is also good! This is my new mantra!

TSO continues to change too! We have a new OC Board starting with President **Barb Lanni** and her team (please read the happenings below). **Peta Carley** and her team (read her happenings below), who are doing an amazing job, has had a few board changes recently and the TSO Board will have a couple upcoming changes, too. With new board members coming in, we say goodbye to our previous board members whom I'm very grateful to for their time, their heart and their devotion to serving those in our community. If you are interested in a Board position, please let us know.

In closing, I want to personally thank you for your membership, for playing in our charity events, for reading our TSO newsletter and messages, and for your friendship. Because change occurs, let's all "be there" for each other to support, lend a hand, and stay positive. Let's all strive to do our best on and off the court, accept change and learn from it. That's my goal for this new season. What's yours?

Love All,
Carol Walsh
CEO/Chairperson

TSO's Wimbledon success depends on the generosity of others. For the second year in a row, **Aileen Brazeau** and her husband **Paul** were one of TSO's biggest supporters. This same giving spirit is the soul behind **San Clemente Villas**, which they own and personally operate. Residents are treated like family and the atmosphere at the Villas is often compared to being on a cruise ship where every residents' unique needs are met 24-7 and there are activities galore.
