

Tennis Serves Others
Beneficiary Application for TSO Annual Gala & Tournament

Tennis Serves Others unites ladies in the tennis communities to organize and promote charitable activities benefiting needy individuals, groups, or other non-profit organizations in our local communities and throughout the world.

In submitting this Grant Application, you are applying to be one of several grant recipients from funds raised at our 2021 Annual Gala & Tournament (date TBD).

Former TSO grant recipients of \$1,000 or more in 2020 are not eligible to apply until Fall 2021. Additionally, if your grant was greater than \$5000, you are not eligible to apply again for 5 years.

If you are an “individual” in need, some of the questions may not be relevant. Do your best to provide as much information as possible.

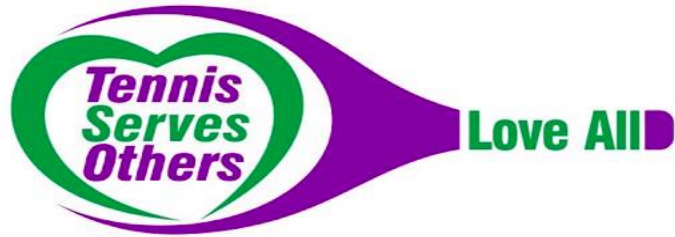

To be considered, submit the completed application to beneficiary@tennisservesothers.org by December 21, 2020. All complete applications will be reviewed by our Beneficiary Committee and our Tennis Serves Others Board of Directors. Incomplete or late applications will not be considered.

If you are one of our potential finalists, you will be asked to create/provide a compelling 3-minute video about your organization (or individual request). Our TSO membership makes the final choice by voting.

Most importantly, please understand that if you are selected as a Beneficiary finalist, the grant amount is determined after the Annual Gala & Tournament. We do not guarantee any particular amount.

Beneficiaries, confirmed by our TSO membership, will be notified in early March 2021. We look forward to learning about your organization!

Love All,
Rhonda Glasscock, VP Beneficiary (310) 614-9868
