

Grant Application for TSO Annual Gala & Tournament

Tennis Serves Others unites ladies in the tennis community to organize and promote charitable activities benefiting non-profit, 501c3 organizations in our local communities and throughout the world.

In submitting this Grant Application, you are applying for consideration as a grant recipient from funds raised at TSO's 2022 Annual Gala & Tournament (usually June, but date TBD).

Former TSO grant recipients of \$1,000 or more in 2021 are not eligible to apply until Fall 2022. Additionally, if your grant was greater than \$5000, you are not eligible to apply again for 5 years.

To be considered, please submit the completed application to beneficiary@tennisservesothers.org by December 15, 2021. All complete applications will be reviewed by our Beneficiary Committee and the Tennis Serves Others Board of Directors. Incomplete or late applications will not be considered.

If selected as a potential finalist by the Beneficiary Committee, in late January you will be asked to provide a compelling 3-minute video about your organization. These videos will be circulated to our full 140 membership for voting.

The top nonprofit selected as a grant recipient by our TSO membership will be notified in early March 2022. Although the selection process is complete at that time, the grant amount will be determined after the annual Gala and Tournament fundraisers. No specific grant amounts are guaranteed.

If any questions, please call or email. We look forward to learning about your organization!
